OCTOBER 25, 2018

To Whom It May Concern,

We have reviewed WebOne s.r.o.'s Spanish Fly Pro label for FDA compliance. Areas of non-compliance were identified, and the changes were made to the label artwork. We conducted a final review of the label and changes made, and all appears to be within compliance. We have no further recommendations on the label.

Sincerely,

**Curtis Walcker, M.S.**
